

Meeting 4.4.22 Notes

Team Members Attended:

John Cooke

Zion Emmond

Alex Stiner

Sponsors Attended:

Zac Clifton

Jason Gallavin

Discussed current work on the project and assigned new work listed below.

- Zion is working on changes requested on his backend PR
- Zion is working on making the spacing of the nodes in the cluster management tab of the admin panel in the frontend look prettier
- John discussed newly implemented automated deployments and their limitations, and plans to extend CI/CD capabilities over the coming weeks and potentially into summer
- Alex has completed the email-verification page setting up users to be redirected to that page when they are not verified. Her changes were reviewed and approved. Her changes were pushed to the dev branch.
- John is assigned to continue work on automating deployments to include setting up the correct email credentials as part of the automated deployment process.

Work Hours Charged:

John: 3 hours

Zion: 1 hours

Alex: 0 hours
